Amazon Web Services (AWS) | Certified Cloud Practitioner

Nov. 2020

INTEREST/HOBBIES

- **Podcast:** I have been listening to Base.cs podcast to have a better understanding of computer science's fundamentals. Also I would occasionally listen to Joe Rogan's podcast, especially with guests from a science background.
- **Reading**(favorite books): Meditation by Marcus Aurelius, Saipens by Yuval Harari, Existentialists and Mystics by Irish Murdoch.
